Custom Shaft Charges

Cataract® Oars can provide custom lengths, rope positioning, alternative breaks, etc. For shafts that are non-stock items please add \$10.00 per shaft in addition to any other incurred charges. This charge is waived if ordering more than 10 of the same custom shaft. Custom shafts are defined as:

- 1) Wood or Counterbalanced handles
- 2) Rope wraps other than 20" (or in non-standard location)
- 3) Shaft lengths other than 8', 8.5', 9', 9.5', 10', 11' for SGG / X-Wound and 10' and 11' for SGX

Warranty

Oar Shafts -- One year warranty against breakage during normal use (while rowing).

KBO Shafts -- One year warranty against breakage during normal use (while rowing).

Oar Blades -- One year warranty against manufacturer defect

Cataract Paddles -- One year warranty against manufacturer defect

The warranty period begins from the date of sale to the customer if documentation is provided or from the date the item leaves our plant. Prior to returning an item under warranty, customers will need a return authorization number from our Quality Control department. Items returned without an authorization number will NOT be accepted.

The warranty is not extended to Cataract products used for rentals and/or as shop demos. All warranty returns MUST be accompanied by a sales receipt and a note explaining the circumstances of the warranty claim. Freight charges to return items for warranty inspection are the responsibility of the sender. Valid warranty claims are limited to item repair or a one time replacement of the same or similar item, at our option. Cataract Oars will pay UPS ground charges to return the repaired or new items to the customer for valid warranty returns.
